FUNDACIÓN TROPICALIA

Donation Options 2026

Soy niña, soy importante, an initiative of Fundación Tropicalia, has been working since 2013 to protect and support girls and adolescents in Miches, strengthening their self-esteem, their rights, and their life plans. Through the summer camp, the Girls' Club, Mi Ruta, and advocacy initiatives, it creates spaces that help prevent school dropout, early unions, teenage pregnancy, and gender-based violence.

With the support of partners and sponsors, these programs can continue transforming lives, strengthening communities, and opening opportunities for more girls to grow up knowing that their voice, decisions and dreams matter.

When a girl knows that she *matters*, she begins to build a *different* future.
